**Boater Safety Course  
July 16th & 30th**

9:00-11:00am – Part 1, 12:00-3:00pm – Part 2

Cost: \$15 (applied towards first boat rental)

Our new Boater Safety Course is design to accommodate both beginner and experienced boaters. Part I of this comprehensive course will begin with a review of California Boating regulations, boater safety video and an operational overview of OAC's ski & pontoon boat. Part I is the only portion required for renewal cards which must be renewed every 3 years. A one-hour lunch break will be given and then Part II will continue with instruction on hooking up a boat, backing up a boat & trailer and then an on-the-water, hands-on instruction.

Upon completion of this course you will receive your Boater Safety card which is good for 3 years and the ability to rent any of OAC's great boating fleet. It is also a good idea to come with a date in mind for reserving a boat, as reservations on boats in the summer months fill up FAST!!

Sign-ups are now being taken for custom fishing trips and opening season trips this month. **\*\*\*TRIPLE PLAY EVENT\*\*\***

## JULY 18

### *Beginning/Intermediate Rock Climbing at Lake Tahoe*

8:00 AM – 5:00 PM • Cost: \$135 • Ages: 10 & older

SIGN-UP DEADLINE: JULY 8

The mountains and crags in and around the Lake Tahoe Basin offer a great opportunity for rock climbing. The beautiful settings of the local climbing sites provide participants with a picturesque venue to learn the ins and outs of this exciting sport. All guides are AMGA (American Mountain Guide Association) affiliated with extensive experience in the field. **Beginning Rock Climbing:** A thorough introduction to rock craft with the emphasis on safety and fun. This course will introduce the first time climber to the concepts of belaying, rope maintenance and safety procedures of top rope climbing. By the end of the course the climber will know how to use a harness, belay device, tie basic knots and understand the importance of communication with your partner. **Intermediate Rock Climbing:** This class is for the climber who has a general understanding of basic climbing techniques and would like to learn to follow multi-pitch climbs. We will cover gear placement and removal, anchor building and removal, and belaying a lead climber. By the end of the course the climber should be able to follow a leader up a multi pitch climb and critique the safety of gear placements and anchor systems. Trips include everything you will need: all gear, knowledgeable local guides, instruction, and transportation. Pack sunscreen a lunch and plenty of water.
